EXCEPTIONAL FEATURES

Industry exclusive, 300-series stainless steel interior and exterior. Stainless steel interior is antibacterial, hygienic, easy to clean, and does not retain food odors.

All stainless steel, beautifully crafted proud hinges pass True's rigorous one million door opening test.

Beautifully crafted solid stainless steel door with 120° stay-open feature and ergonomically designed, robust, tubular handles.

Commercially inspired lift-up grill on top of the unit with toe kick that complements the look of True's undercounter units.

Ramp-up, showcase interior LED lighting provides amazing illumination throughout.

Low-E, triple pane, tinted glass on glass door models.

Intuitive True Precision® Control and readout provides digital accuracy and easy operation.

Balanced, forced-air refrigeration system enables proper airflow and even temperature throughout to keep frozen food fresh.

Temperature as low as -4°F.

ORGANIZATION

3 electro-polished stainless steel shelves.

3 full-extension, soft-close wire baskets.

OPTIONAL ACCESSORIES

Side panels - Required for exposed side installation.

66" joining kit - 66" cohesive grill & toe kick when installing 30inch column next to a 36" column.

72" joining kit - 72" cohesive grill & toe kick when installing 36inch together.
